

Access to Teaching Survey Results (for surveys administered beginning fall 2016)

Beginning with surveys administered fall 2016, individual instructor results are available on the instructor's Teaching Survey Dashboard. Reports for each class will be made available after the term is over and final grades are posted. Reports will remain active on the instructor's dashboard. Reports can be viewed online and pdf versions can be downloaded.

Go to the **Reports** section of your Dashboard.

You can sort by Name (of class), Category (term number – example: 2174), Subcategory (term name and year – example: Spring 2017) or you can search for the report with any key word using the Search box (typical search may be numerical, comment, term name or number).

Alternatively, under **Reports**, scroll to the bottom of the page where you will see the option to **View More**. The most current reports will be at the end.
