Teaching Workshops – Free, hands-on workshops are designed to help you obtain and hone practical skills to enhance your teaching. Register for workshops at <http://www.teaching.pitt.edu/workshops/>

Teaching Practicum – FACDEV 2200 is a graduate seminar designed for anyone who wants to learn about university teaching. Major topics include course design, assessment of learning, presentation skills, the instructor-student relationship, and developing a teaching portfolio.

Individual Consultations – Consultants are available to discuss questions and concerns you might have. We can meet with you individually to help you design a syllabus or exam, to compile a teaching portfolio, or to manage challenging students. To set up an appointment call 412-383-7152 or email TAhelp@pitt.edu.
