

Roles and Responsibilities

Invest some time thinking about your responsibility and role in the professional development of your students.

Who is responsible for the professional development of your students?
Professor, Students, Educational System, Families, Communities,
Organizations, Systems,
Political Parties, etc.

How much of a role do you play in the success of your students? (Feel free to use percentages, scaling, pie charts).

How much time per week is spent on each work-related task?

Class preparation:

Office hours:

Grading assignments:

Commute:

Training:

Other: _____
